

Tradition meets the Modern World

Since turn of the last century, our premises on Preußerstraße 4-6 are known as a first address for hospitality. The formerly well known „Patzenhofer“ was rebuilt until May 1981 in one-year. In this time the Steak-House Nr. 1 was constructed from the solid oak wood planks of a more than 100 year old smokehouse. In summer 2012, we fundamentally renovated the Steak-House Nr. 1 and re-opened partly with the staff team of 1981 and the second generation of the former 1981 management.

Quality is our top priority in the Steak-House Nr. 1. That's why we use only the best products for our dishes: high-quality meat, fresh vegetables, crunchy salads and homemade sauces. Our excellent steaks are the center of our cuisine. Therefore we only use selected beef from the best feeding grounds all around the world and provide a changing steak assortment to give our guests the possibility to try a wide variety – we are constantly searching for something special for our guests.
